Dear Senator Brown:

I am seeking your assistance in a personal matter involving the federal government. I hereby authorize your office to request, on my behalf, that the appropriate federal agency or agencies investigate the following:  
(Use reverse side or additional paper, as needed.)

We are writing this letter to request your office's help in finding the status of our employment based adjustment of status (I-485) applications, pending with Nebraska Service Center for over 15 months.  
We had filed our I-485 applications in January 2017 (RD: 01/03/2017) with Nebraska Service Center in Lincoln, NE. We were also finger printed on 01/28/2017.

~~On 12/20/2017 we had an interview with an DHS agent regarding my background check and was told by the agent that we might hear back from USCIS in next few weeks. However we never heard anything from USCIS and our case statuses are still showing "Fingerprint Fee was received".~~

Since our cases was out of normal processing time since last October, my husband requested multiple inquiries about why our cases is taking more than normal processing time. In response to the last inquiry on 02/08/2018 he was told that he will hear back from USCIS in next 60 days. The 60 days period has finished and we have not received any notification or action from USCIS.

~~We have no clue why the adjudication on our cases is taking so long while the cases filed much later than ours are routinely being approved.~~

We would like to request the help of your office to find out what exactly is going on with our cases and if possible push for a faster adjudication. We'd highly appreciate any help that your office can provide in this matter.

I further authorize, under the provisions of the Privacy Act of 1974, and under penalty of perjury, that the agency or agencies involved have my permission to disclose information from their records about my case or claim to the office of Senator Sherrod Brown.

*\*From the U.S. Department of State website: Some visa applications require further administrative processing, which takes additional time after the visa applicant's interview by a consular officer. Visa applicants are reminded to apply early for their visa, well in advance of the anticipated travel date.*
