Thank you for your application to Georgia Tech! This message confirms successful submission of your application to our external database.

WHAT'S NEXT?

Soon we will download your application to Georgia Tech's student information system and begin processing your file. At that time, you will receive a confirmation e-mail with instructions on next steps. Please allow approximately 2-3 business days for initial processing.

If you uploaded your documents with your application, please DO NOT mail them at this time. If you are admitted, you will be asked for the official documents needed at that point. Please do not mail anything you have uploaded.

If you did not upload documents, you must mail them to:

Georgia Institute of Technology
Office of Graduate Studies
631 Cherry Street, Room 318
Atlanta, GA 30332-0321

Please do not mail your documents directly to the degree program to which you applied -- this will slow down processing of your application. A list of required documents and mailing instructions may be found online at <http://www.grad.gatech.edu/supporting-documents>. Be sure to include your GT ID with your documents when possible as this will help to match your documents to your application.

Thank you for your application and for your interest in Georgia Tech!
